*"People who live within a geographically defined area and who have a social and psychological ties with each other and the place where they live"* according to Vince Hyman, Publishing Director, Fieldstone Alliance.

What does "Community mean?" and why is it important to us?

In successful communities, there is always someone or a group doing something awesome, something awesome happening and awesome support from those around you. That support can be inspirational to those people and the community to achieve incredible goals. Lessons learnt become shared lessons for the community, contacts be it in business or life become shared contacts and opportunities become shared opportunities, whether it is a social activity or a once in a lifetime experience.

Thank you all for your warm welcome, I look forward to meeting you sooner or later in our great part of Western Australia.

### Woodridge Community Association BUNNINGS SAUSAGE SIZZLE

Well we have finally done a famous Bunnings Sausage Sizzle! On Saturday the 22<sup>nd</sup> July, it was a very early start for the first people rostered on with the collection of 750 sausages, rolls & 25 kg

sliced onions & ice.

Unfortunately this was NOT enough with 2 extra runs having to be made to Ocean Keys Shopping centre to purchase an extra 200 of each – sausages, rolls, 9kg onions & a couple cartons of drinks. Talk about a very full, fun & tiring day!!! At least we were able to have a few laughs along the way.

Thankfully people are very fond of a Bunnings sausage sizzle.

We had a very successful fundraiser with approximately \$1500 profit made to assist us with this year's SPRING FAIR. Not bad for an honest day's work!

A huge thanks to all our volunteers that worked so hard. Wow, what a team we made, that was some production line we had going!

Many thanks to **BUNNINGS Mindarie** for giving us

this opportunity to fundraise & for the great set up they have to supply to various groups, clubs etc.

Also huge thanks to **IGA Two Rocks** who supplied us with the sausages, rolls, onions &

ice for the day at a great price.

At the very least, we thank the wonderful customers who supported us on this SUCESSFUL day!! Yes we will be putting up our hand to do another next year... haha!!

## Sovereign Hill Community Association

The AGM of the Sovereign Hill Community Association was held on Sunday 16<sup>th</sup> July. The meeting was attended by a lower number of residents than expected, as well as Shire Councillor, Michael Aspinall.

All positions were declared vacant and nominations called for a new committee which resulted in:

Chairperson:	John Hakesley
Deputy Chairperson:	Jane Taylor
Secretary:	Dianne Millar
Treasurer:	Lynn Malone
Committee:	
Steve Owens	June Cruikshank
Audrey Johnson	Amber Lamprecht
Mark Taylor	Kerry Jones

A motion was put before the meeting to waive fees for the next financial year for residents of Sovereign Hill, which basically means any resident can become a member of the Association and partake in the activities that we hold during the year. Please email your details to [ladyinred@iinet.net.au](mailto:ladyinred@iinet.net.au) so you can be added to the register. You will be kept informed by email of events, etc. happening in Sovereign Hill.

The new constitution which had been available to members for the past 42 days was ratified. It will now be sent to the Commissioner for his approval.

The new playground equipment has been installed and is being well utilized by the local children.

There was some discussion on the mowing of the verges within the Shire. Michael explained the tidiness and neatness of the verge is the responsibility of the landowner. The Shire mows 1 metre from the road in order to stop the weeds, etc. disintegrating the road surface. The area between the road and our boundary fence is crown land (not Shire land), it is the area where the power, phone and telecom etc. companies use.

Do come along to any of our meetings to get all the updates. The next committee and general meeting is 4pm on Sunday 13<sup>th</sup> August at Sovereign House.

### Events coming up:

#### 2<sup>nd</sup> September

Welcome to Spring Night (yes, the warmer weather will be approaching then!). We will have a 'bring a plate to share', more details to follow.

## Weight Watchers.

The rain is so lovely for our gardens but a little hard to keep up with our walking. This is though not an excuse to do exercise indoors. We celebrated another of our members 70<sup>th</sup> birthday this month with a lovely morning tea. One of our ladies made a beautiful gluten free cake. We all try to bring healthy foods and exchange recipes. We welcome anyone who would like to join us on Wednesdays to learn about healthy living not just to lose weight but to change the way you relate to food.

We will be having a presentation from Carers Australia WA on August 30<sup>th</sup>, please see the advert in this issue. We invite anyone to attend this presentation especially carers. This should go for about 1 hour including question time. It is important to let us know if you wish to attend as we will be catering for a morning tea.

Moore River Weight Watchers hosted a presentation on the 19<sup>th</sup> July by Dr Carolyn Harris-

Johnson, from Seabird, on Domestic Violence. This was so informative and interesting and certainly opened our eyes to what is happening around us and how it can touch our lives. The meeting was very well attended and a lot of questions were asked. We enjoyed a very well catered morning tea during which people were able to have one to one conversation with Dr Carolyn.

## Downstairs Gallery

This month we have had another Quiz night held at the Pickled Herring Restaurant, Two Rocks Shopping Centre. Thanks to all the staff at the restaurant. Everyone had a great meal and loads of fun. Things have been a bit quiet down at the gallery this time of year, there are less people passing through due to the cooler weather.

However this time of year is a good time to be indoors or in the shed/workshop and doing some craft or even painting, so if you have the time and feel you have the talent, are prepared to commit to 1 day a month sitting at the Gallery or attending the odd meeting or two, maybe you would think about joining the Downstairs Gallery at Two Rocks.

New Members are always welcome. Pop down, have a look around and pick up a membership form.

Do come and get yours or a wonderful handmade gift with all proceeds going to our next Biggest Morning Tea raising funds to fight cancer.

### RED HAT LADIES

Our lunch with a tour of the Gravity Centre in June was very interesting, there are always new displays to see and, of course, the climb to the top of Gravity Tower – yes – two ladies managed to get to the top even though they did report it was cold and very windy up there. Our proposed outing to Greenfields fell at the first coffee stop when our bus decided enough was enough and refused to go any further. With a few hours waiting for RAC, tow truck etc, we ended up back at

Butler where we shared a Chinese Dinner. We realised just how cohesive our group is with much laughter and enlightening conversations being held over the hours at Baldavis.

The second July outing was 'Christmas in July' at Yanchep. What a splendid Christmas lunch, melt-in-your mouth ham and turkey with 5 or 6 vegetables and a stunning plum pudding. Walking through the koala area we were delighted to find one awake and ready to pose for photos. We were pleased to see lots of water in the lake too, more than has been there for some time.

August outings are 'Storming Betty's Jetty' when a number of Red Hat groups in Perth are taking a carousel ride and making their mark at Elizabeth Quay. There are over 70 Red Hat groups in WA, so it should be quite a spectacle with probably about 100 Red Hat ladies. Probably make the news on 2<sup>nd</sup> August.

Demure Damsels has their first birthday in August too, we are having a soup and dessert day (with of course the mandatory cake!) and a craft day when we are all going to have a go at embellishing bags with lace and bling.

September sees us doing a scenic train trip to Toodyay for lunch and visit to the renowned Christmas Shop. By then Christmas will be on the horizon and I can foresee some new decorations being located.

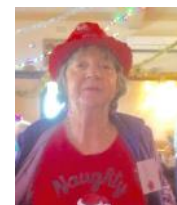

We have already planned another couple of outings to Morning Melodies, "The Snake-Pit", a history of that great venue in Scarborough in October and the WAYO Christmas special in December. Both events are almost sold out, we were lucky to secure some for each event. We have a couple of tickets left for these, so if you would like to join us, please give me call.

We would love to welcome ladies of any age interested in Red Hatting, give me a call if you would like to know anything about Red Hatters, come on one of our outings and enjoy some fun, friendship and laughter. Don't be shy, come and meet some new ladies.

Our email address is:

[demure.damsels.red.hatters@gmail.com](mailto:demure.damsels.red.hatters@gmail.com) or call Dianne on 9577-1430 or 0414-469-297 for any further details.

## SOVEREIGN HILL GARDEN CLUB

The July meeting of the club was held at Sovereign House with Eleanor taking charge.

This was part two of our succulent workshop. Members brought along photos of their

succulent balls which they had completed at home and also some unusual containers to plant up. One of the most unusual was a chair rescued from the rubbish pile by Rachael.

This finishes our journey through the succulent world for the year with the August meeting being devoted to a whole new subject. Thanks go to Eleanor and Julie for taking us along this path. I am sure that many members now have a section in their shade houses devoted to succulents. Members are asked not to forget our Casserole/Quiz night on Saturday 29<sup>th</sup> July. Please get your RSVP's into Julie as soon as possible.

If you would like to join us at our meetings, please contact Wendy on 0429 938 232 for further information.

## GUILDERTON VISITOR CENTRE

Did you know that our lighthouse, which was built in 1983 from special wedge shaped bricks to create the tapered cylindrical form that it appears now, is the only major navigation light between Fremantle and Jurien Bay? Its elevation is 76.75 metres with a range of 41km. The original lens was manufactured in Sweden in 1936 and installed at the Hamelin Island lighthouse. When this was decommissioned it was moved to Guilderton. The lens was replaced in March 2008 and thanks to the Australian Maritime Safety Authority it is on loan and displayed in the bar area of the Country Club.

If you would you like to learn more about this subject and other local history then why not come down to the Visitors Centre and volunteer your services. We not only supply local history to visitors but also have a great stock of gifts for sale.

For further information on volunteering contact Linda Johnson on 0414 631 273.

The Visitors Centre is situated on the foreshore at Guilderton and is opened between 9 and 12 noon weekends, public and school holidays. More information can be found on the Guilderton website [www.guildertonwa.com.au](http://www.guildertonwa.com.au).

## Crafty Patch News

Winter is here and the ladies have their knitting needles and crochet hooks out and a couple of lovely rugs are in the making.

Our thoughts are with Helen Thorne at this sad time, we hope to see you back soon Helen.

Our White board lady, Di had a "slip up" and was missing for a couple of weeks and Terri took over the

responsibility of the board and kept us up to date. Di is now back, on crutches. It's good to see you back Di you were missed.

On Tuesday 18th we had a bus trip to Cervantes and had a very nice morning tea with the local craft ladies and visited the stromatolites. The wind had come up but otherwise beautiful weather for us.

Our Christmas in July was had at the Tavern and a delicious lunch it was. It was a great trip with our friendly bus driver, Jim.

On the 5th September we are having an open day with show and tell and morning tea and a light lunch for \$5. Come and see what we do—everyone is invited!

*Cheers Bev, Jenny and Lyn*
