Woodridge Community Association

WCA Update

The results of the **Special General Meeting** held on Wednesday 14th March was a unanimous acceptance of the revised Woodridge Community Association constitution 2018. Thank you to those who attended this important meeting, and then stayed to take part in the committee meeting that followed.

The backboards for the basketball rings have arrived and awaiting erection & installation by the Shire. Once erected we will have a netball, a basketball and 2 tennis courts installed and available for use. If you'd like to borrow any equipment please contact Jenny Walker on 0409 117 154.

It was great to see Patrossi Fruit & Veg again at last month's **Farmers' Market**. It was also noted that our newly erected road signs drew in a few travelers to the event. Our next Farmers' Market will be held on **Sunday 8th April, from 8am – 12noon** – a great place to meet or catch up with friends; why not take advantage of the tables and chairs that are set up for your comfort. Please continue to support this local initiative.

It was good to see such a great turn-out to our Special General Meeting in March – it is hoped we get an equally good attendance at our next **Public Meeting**, to be held on **Wednesday 11th April**, at the Woodridge hall, at **7pm**. Agenda items will include an update on the pond and its fencing issue.

WOODRIDGE AMBULANCE

March has been a reasonably quiet month. Woodridge Ambulance would like to give a big welcome to our newest member, Amber Gerwien.

Our thoughts are also with our phone ops Jeannette upon the recent passing of her husband. As well as heartfelt wishes to Mohamed's family upon his passing. Susy is very busy doing First aid sessions all around our country towns. So much emphasis is being put into First aid, it's wonderful.

Crafty Patch News

Well here we are into March and the girls are working on a few special projects. Some are making knee quilts out of their scraps, then will be donated to the wheelchair kids. Also some are knitting poppies for Remembrance day. They will be displayed in Kings Park at the War Memorial. Joan will collect them closer to the day. Everyone is so keen on their crafts that we are having a trial run of finishing at 2 pm, you can bring your lunch and make a day of it and get a lot done.

Welcome to our new member Carmel who has been busy making great coats for her dogs, pampered pets we think!
When life gives you scraps make a quilt.

Loving your neighbours is to be a family and is far beyond DNA connection. Blood may be thicker than waster, but love, kindness, trust and ability to empathize with each other in the face of adversity is what we should call family.

Lower Coastal Computer Sessions

9am - 11am @ Woodridge Hall

First Thursday of every month

The March meeting of the lower coastal group went very well. This really is a self help group these days with everyone chipping in with what they do on their phones, pads and laptops.

Every month we seem to learn something.

The most important part is that our confidence is growing.

Please do consider joining us and share what you do. If you are struggling to understand new technology then this is the group for you.

Red Hat Ladies

Another great month.

We welcome Joan, Julia, Karon and Dot to our group. Not all goes to plan when the weather changes like it has over the last couple of weeks.

We had a great visit to Parliament House, so much to see and learn. Two ladies also discovered they are related, apparently their great (great) grandparents were on the same boat and were siblings! Neither lady had any inkling that they were related. We had a really nice morning tea followed by lunch in the city.

Our outing to Cottesloe to see Sculptures by the Sea did not eventuate due to the extreme heat expected on the day so we tootled off to the air-conditioning of the cinema enjoying lunch a Basq afterwards. The last March outing is a Devonshire Tea at Teapots and Roses in Carramar followed by lunch locally.

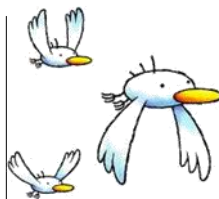

April outings include more lunches but also a visit to Government House, which is so different from Parliament House.

Our email address is ladyinred@iinet.net.au or call Dianne on 0414-469-297 for any further details on outings or on how you can join our fun group.

Ninety-four competitors were treated to a glorious summer's day for the Shire of Gingin's second Lancelin Triathlon on Sunday 18th February 2018. The event kicked off with the swim leg at the beach at Grace Darling Park, followed by the cycle and run legs through town. Participants had a choice of either a short course (125m ocean swim, 6km cycle, 1.5km run) or long course (325m ocean swim, 14km cycle, 3km run), with both run sections including a tough 800m beach run.

The event was supported by 25 community volunteers including the Lancelin Volunteer Marine Rescue and the Lancelin St John Ambulance, as well as a helicopter in the sky for "water hazards". The triathlon was well represented by 9-16 year old competitors, and the event brought at least 200 people into the Lancelin community.

Special mention goes to the Hon Christian Porter MP, WA Attorney-General and Member for Pearce, who won the Masters Male Division of the short course with a very respectable time of 31:13.0.

The Lancelin Triathlon is one of the Shire of Gingin/Bendigo Bank annual Bank Summer Suite of Events.

And a big thank you to these sponsors for your wonderful support!

Guilderton Cleans Up

Sunday March 4th saw over 60 people take to Guilderton's river, roads, beaches, tracks and Silver Creek on Clean Up Australia day.

As crowds took to the river and beach for fun, others gave a couple of hours to remove rubbish from this lovely place. It was a beautiful day and not too hot! Phew!!

Many thanks to 1st Beldon Scout Group, who are allowed to camp in Silver Creek to thank them for their great efforts, in what has become an annual event.

Thanks to the 4WD club who brought 4 vehicles and 8 people to clean up the tracks and beach north of the lighthouse, for the first time. This group also gives invaluable help in revegetating this area of bush in our annual June planting day.

Thanks to the river team of Bob and Richard, Jo and Hannah, Mike and Margo, Linda and Clive and Maggie, who brought down a boat load of rubbish from the riverbanks.

Thanks to the road team of Gillian and Neil, Diana, Les, Jim, Eleanor and Rod and also the foreshore team of whoever Linda could persuade to help. At the groyne, Linda and Cathy scoured the road, bush and beach for rubbish too. And thanks to

Guilderton Country Club for donating a sausage sizzle for the workers, beautifully cooked by Anne and Bevan. Cold drinks and watermelon saw us all feeling nearly normal again.

And many thanks to the locals who do clean ups over the rest of the year!

We hope that others appreciate our efforts and decide to always put their rubbish in a bin! The rubbish. Thanks to the Shire for the skip - we filled it!

looked so nice with small vases of flowers from one of our members. We now have 2 more new members who I believed enjoyed the company as much as the food and did attend our next meeting. We did have a couple of door prizes and at the close of the day all 20 people received a Gerbera plant in a small decorated pot. On the day Dot Branch was again crowned Princess of the month for the most weight loss...one more month and she will be crowned Queen. Our next outing, when the weather gets a bit cooler, is to Benara Nursery.

What you Need to Know about Moore River Weight Watchers.

We are a very low cost weight loss group.

We do not supply nor charge for food plans.

We do encourage and give support in your efforts to lose weight

But...walking through our door is not a magic formula for weight loss.

Weight loss is achieved by healthy, sensible eating and probably a change in lifestyle. BUT ALWAYS BY YOUR EFFORTS. The group encourages members to maintain a healthy lifestyle.

So if after this Easter feasting your clothes have shrunk or your weight has been increasing gradually over a longer period, think about joining Moore River Weight Watchers. The only thing you can lose is weight.

GUILDERTON COUNTRY CLUB

"The Guilderton Country Club took part in the Leukemia Foundation Charity event and hosted the Worlds Greatest Shave on Friday 16th March!

We started of the night with 2 fantastic donations for a raffle, including a gorgeous meat pack from B&B Quality Meats Yanchep, and a generous voucher from Amanda and Matthew Williams from the Guilderton General Store! The Country club also donated a third item so that we could raffle of 1st, 2nd and 3rd prize! Throughout the evening from 5pm any member of the public could join in and have their hair coloured in brightly coloured sprays for \$2 or go one further and shave their head, moustache or beard for \$5! The Country Club donated all the hair spray and our lovely Margo Paton donated her time, skill and clippers for the shaving!

We were quite overwhelmed by the support that was received, we had children having their hair sprayed and lots of adults too! We had a little boy shave his hair, just leaving enough for a green Mohawk! Lots of guys from our community joined in with the shaving and had lots of fun, including a shave off between the Bowling Club President Pat Ward and our own Vice President Mike Paton, 2 of our committee members, Rick Rogers had eye brow waxing and Justin McDiarmid had his legs waxed! Our very own Club Manager Kevin Lane for the first time in 30 years had all his facial hair completely shaved off! We also had other members shaving off ponytails and long hair that everyone said would never happen! Also we had a very brave lady going

all out for a great cause, who joined the boys and shaved Stacey Wilson! Too many people got involved to name them all, and we extend our thanks to all who donated the cash on the night! Everyone who attended the evening was very generous and dug deep! We thank you all for your efforts and are extremely proud to announce we raised \$3000 cash on the night. Had just over \$500 donated online and we still have the collection boxes to add up, plus any last minute donations! The final amount will be announced as soon as we have added up all our donations.

A huge thank you again to all involved, we could not have done it without the support of our fantastic community!

Our March meeting was run by June on the subject of "Composting". Everyone attending was asked to bring along their tips and tricks for a successful brew. With all the suggestions that were put forward it is hoped that people went away with a better understanding of the methods others use to achieve the perfect result.

Our next outing will be to Garden Week on Friday 13th April. Please let Wendy know by Tuesday 3rd April if you are interested in going (0429938232)

Friends of Moore River Estuary

Hello again to all our supporters as we start another year of watchful waiting over Moore River Estuary. We held our AGM on 4th March and have

adopted the new Rules and dropped our membership fee to \$10 a year.

The whole 2099 ha of Plunkett's land at Moore River South remains for sale, as it has been since August 2015. The subdivision approvals remain in place, however we are not expecting anything to change there, in the current economic climate. Our position remains that MRS is no place for a suburb, an isolated cul-de-sac with no power, water, sewerage or easy road access.

This fragile coastline should be preserved for the banksia woodland, tuart groves and carnaby's cockatoos, which are all now listed; as well as all the other native flora and fauna, habitats and eco systems that developers would bulldoze.

The metropolitan area ends just north of Two Rocks and the 12km of coastline to Moore River, inland across existing Nature and Conservation areas, should all be kept as an undeveloped green belt as a clear end to Perth city, in our view.

FOMRE is still involved with NACC and the Dept. of Water in water quality monitoring of the estuary. For 2 years now, we have been out 4 times a year to test the water at 5 sites.

The information is kept by DoW and we are looking at making a public portal so anyone can access river data, as is being done in Victoria. We really need someone to take this on so please ask me if you are interested.

FOMRE continues our membership of CCWA, Urban Bushland Council and working with NACC and MCC.

We also work with Gingin Water Group but are

disappointed that the Shire is doing so little about the too frequent 'bar diggings' that so badly affect the estuary.

It is good to see less 4WD incursions on the riverbanks and beach this year, thanks to improved signage by the land manager at MRS.

The Fisheries and Marine Safety officers have also been active, reducing unsafe 'hooning' on the river. As numbers of people in the river increase, it is good to see the safety improving! The new jetties have reduced congestion at the boat ramp and the river pontoon is very well used. Playing in the estuary is still a happy time for thousands of visitors all summer.

Moore River Estuary remains a lovely place to be, any time of year, and we hope to see you here enjoying the place whenever you can.

Even from afar, we appreciate your ongoing support as we continue our efforts to Protect Moore River Estuary. Your \$10 each year keeps us going!

Please check out our website at

guildertonwa.com.au and feel free to contact us.

Redfield Park News

We have had our new
constitution approved this month
and will be available to view at
our next AGM on 22nd July.

Throughout the year we have lost a few very
active volunteers (Thanks to Terri & Margot for
all your great work) and we are getting low on
committee members, we would love to see a few
new faces to join our committee ~ as you know
without enough members it severely limits the
work we can do.

Also for residents to be aware ~ we have had
break ins, reports of stock and also mail being
taken~ please note down any information of
strange vehicles etc. AND contact Lancelin police
