CRAFTY PATCH

Quilting with Friends
Keeps You in Stitches!!

As usual this month we have all been busy with our various craft projects, but we still had time to enjoy ourselves.

On the 2nd of May, Di Groucher had a very

special birthday, and we all helped her celebrate as we tucked into a delicious birthday cake. Hope that the rest of your day was enjoyable Di. Also, on the same day we enjoyed our twice yearly lunch day when we take turns to supply the food.

This month we enjoyed a variety of tasty pasta dishes followed by a selection of delectable sweets. Our ladies demonstrated that they are as talented in the kitchen as they are with their craft work. Thank you to the members who supplied the food.

By the time this goes to print, our Open Day held on 23 May will have come and gone. Hopefully it will be as successful a day as our previous Open Days but more news on that next month.

A suggestion has been made that other Coastal Craft Groups could join together once a month. We could make new friends and share ideas. We look forward to any suggestions from other groups on this idea.

The ladies who took part in the Mosaic Bottle workshop completed their bottle this month and the results are amazing. Well done ladies. Another workshop will be held on the 6 June. Julie will be teaching participants how to make pendants.

We said farewell to Mary Dandie who is retiring from Crafty Patch this month. Mary has been a very long serving and valuable member of the group but now lives too far away to attend on a regular basis.

We wish you all the best Mary. We will miss you.

Beth, Margaret, Patricia and the Crafty Patch ladies.

GUILDERTON VISITOR CENTRE

With winter approaching we look back at all the events that have been held in Guilderton at Gabbadah Park over the summer months.

This lovely picturesque park was first proposed back in 1978. Discussions on legalities and design of the park were banded around for the next 11 years and it was not until October 1989 that any type of work actually commenced. The majority of the work was done by a very small band of dedicated volunteers. Gabbadah Park was officially opened by the then Shire President, Gavin Drew on 31st January 1993.

So it is thanks to those volunteers that we have this venue. This information has been extracted from John Prince's book "Secret No Longer". There are a few remaining copies at the Visitors Centre if you are interested in the history of Guilderton and the Community Association.

If you would like to help at the Visitors Centre, please give Linda a ring on 0414631273 for more information

DOT'S GRADUATION

On the 24th of April, Moore River Weight Watchers celebrated Dot Branch's Graduation, as she had achieved her goal weight. We had a lovely day at a café in Yokine, Mid-Century Café and Collectables, with 20 people attending, including friends and family. A special friend and Secretary Federation WW, Sheila Overton, was able to attend, which was a lovely surprise to Dot. I would like to tell you a little bit about Dot's achievements.

Over 28 years ago, Dot started this group, a division of Federation Weight Watchers, called Moore River Weight Watchers.

There were many members, some of whom have now sadly passed away. Dot built the club to a thriving membership holding weekly meetings in the old Guilderton Community Hall. This old hall has since been demolished and a new hall has replaced it, which was not suitable for our club.

Dot moved away from the group for some time to concentrate on other commitments. Our club was slowly shrinking, so Dot was approached and asked if she would come back to help us put some life into it. Which, after some persuasion, she did.

As we had now moved to Sovereign House, Dot returned and introduced more guest speakers, not only for WW but for all communities. We again experienced more of her drive and dedication.

Dot has now reached her goal weight and we can honestly say this is an example of persistence pays off. For those of you who don't know, the rules to graduate are; members, after reaching their goal weight must maintain this for 12 weeks. This is a huge challenge, as if you miss a week you must start again. Dot managed to do this

(after 28yrs!!).

Dot is a born leader and although she still has other commitments, we are all very happy she decided to commit to MRWW.

Join in the fun, meet new friends join your local....**MOORE RIVER WEIGHT WATCHERS**

The Shed's visit to Whiteman Park on Tuesday May 2nd was a great day out, we had 12 members attend on a beautiful sunny day. We commenced with a tour of the tractor museum followed by a scrumptious BBQ lunch and Cheese cake, many thanks to Norm and others who organised the outing and in particular the Cheese Cake cook.

We finished the day with a tour of the Motor Museum and that was a real eye opener, if you haven't been, put it on your list, it will bring back lots of memories and is well worth a visit.

Seabird News June 2023

Repairs to Sea Wall

The Gingin Shire has organised repairs to replace some rocks which had moved away from the Sea Wall. A skilled operator manoeuvred several large boulders back into place to continue to support the coastline. Seabird Progress Association has a

sub- committee looking into the feasibility of groynes to support the wall.

Sea Wall Vegetation

Recently SPA has organised spraying of weeds in the plantings along the sea wall. Contractors from 'Environment and Landscape Matters' completed the spraying over several days during April. The growth has been great with a few rare plants surviving, along with the regular coastal vegetation, which, with the weed control, should continue to flourish.

DEMURE DAMSELS RED HATTERS

Detectives we are not! At the beginning of May on a splendid autumn day we tried the Detective Trail of

Perth walking here, there and everywhere throughout the central CBD looking for clues to solve the murder mystery. On the way we discovered things about Perth we didn't know, many places we didn't know existed! Finished off a great few hours with a lunch at 43 Below in Barrack Street.

Get a group together and try this out. 'Google' Detective Trails to see if you can find one to interest you, your family or your group. We will do another one next year, possibly Northbridge or Fremantle or perhaps even York!

32 ladies ventured out to lunch at the Pavilion Restaurant at Joondalup TAFE later mid-month. This is where the hospitality students get the opportunity to practise their skills on the public at a most reasonable price to those attending. Well worth trying to make a booking for your group or

family (as you can imagine they are extremely busy though).

End of May will see us trying out our navigating skills on a short Car Rally around the northern suburbs of Perth. Wondering just how many of us will get lost before a shrug of the shoulders as we head to the designated morning tea or lunch location?

June activities include a Bunnings "How to do it" workshop and a morning in Sorrento when we attempt to learn how to play croquet as well as a tour of the SAS in Swanbourne. We will also visit WA Ballet in Maylands, the Perth Concert Hall, Government House and Parliament House coming up over the next few months.

If any of these activities seem like your cup of tea (or glass of wine) please call.

SOVEREIGN HILL GARDEN CLUB.

Our May meetings topic was Snakes. We were lucky enough to have our local Snake Catcher, Tammy, come along and give us a talk on the types of snakes common to our area. We also discussed some steps to take to avoid that unexpected encounter in the garden. One interesting tip was how to store those empty plastic flower pots. Select a suitable storage area, dig a pine post or metal stack into the soil and stack the pots upside down on them. Snakes like to curl up in the pots, so using this method alleviates the problem and also allows you to see what is lurking under the pots. Thanks Tammy, your talk was very much appreciated. We went on to discuss just how many plants had the word snake or type of snake in their name. You would be surprised just how many there are.

Our next meeting will be on **Saturday 10th June** at Sovereign House commencing at 1.30pm The topic will be **"Fire Protection in our gardens"**. If you would like to join us, please give Wendy a ring on 0429938232 for more information.

Winter is very fast approaching, more the right weather for knitting and indoor craft work now the nights are cooler/cold. Late May we had a table at the Crafty Patch Open Day morning tea. Hope you came along and enjoyed the morning tea as well as finding some interesting items, tried some of the activities, watched the demonstration or perhaps picked up one of the last copies of our Cookbook.

Can you knit? Can you crochet? Can you quilt? You will find these crafts at our group amongst many others. If not we can create for you – perhaps a jacket for your dog for the cold winter months approaching.

Our group has decreased with ladies moving out of the area, we would welcome some new (young or old) members, come for a coffee and cake and meet our ladies on Monday mornings at Sovereign House from 9.30.

Inspiring Videos for National Volunteer Week 2023

From 15 - 21 May 2023, the Shire of Gingin celebrated all the volunteers who do such valuable work in our community.

With the support of Volunteering WA, our Community Services team produced a series of videos which tell the stories of a number of our very own volunteers.

We would like to thank Rob, Sylvia, Robin, Wendy and Harlan for sharing their stories and for being inspiring role models within our community.

If you would like to watch the videos, you can find them on the Shire of Gingin's Facebook page or Youtube channel.

Ever thought about getting involved as a volunteer? Why not get in touch with one of our community groups. Visit gingin.wa.gov.au/local-organisations-clubs-and-facilities.

Sponsor in Focus - Bendigo Bank

Proudly supporting the Shire's Early Rates Incentive Scheme

On 25 March Bendigo Bank was pleased to organise and host a networking luncheon in Gingin to celebrate International Women's Day 2023. This year's theme was 'embracing equality' with a focus on women in business.

The event attracted over 80 attendees as well as 12 local small business stall holders who held a mini market on the day. Guest speakers included Ashlee Harrison from Zero2Hero, 2022 Women's Lawyer of the Year Shayla Strapp, and several local business advisors from Business Local – Wheatbelt. Local musician Savannah Solomon provided entertainment and catering was supplied by a new local start up business.

The day was a huge success with proceeds donated to local Scouts group and Zero2Hero. Following on from this event there have been discussions on holding more networking sessions to support women in the Gingin Shire business community.

Community Bank

Gingin and Lancelin

Bendigo Bank

Celebrating Youth Week

Youth Week (14 - 22 April) celebrates the unique and important contribution that people aged 10 - 25 bring to the community, and this year the Shire was pleased to hold a number of events for our young people.

Youth Fun Day

This year's Youth Fun Day was held on Wednesday 19 April at Gabbadah Park in Guilderton, and the day was jam packed with activities, including the Game Vault trailer, Ninja obstacle course, live reptile handling, mechanical bucking bull ride, and free sausage sizzle cooked by the Guilderton Community Association.

Holyoake and the Bindoon Suicide Prevention team were also on-site having important conversations with youth about mental health and the harm of drug and alcohol use.

Barefoot Bowls

This inaugural event for youth over the age of 18 was a great success. Held at the the Gingin Bowling Club on Friday 21 April, club volunteers taught the group of mostly beginner bowlers a new bowling game called Jack Attack which allowed for a fun, friendly competition that was suitable for everyone's skill level.

While there were only a few shining examples of bowling finesse, a great time was had by all, with plenty of spot prizes and tasty food. Special thanks to Stephen Fewster and Steve Beckwith from the Gingin Bowling Club for facilitating the evening.

End of Season Pool Party

Youth Week finished off with a perfect blue-sky day for the end-of-season pool party at the Gingin Aquatic Centre on Saturday 22 April which consisted of lawn games, giant floats, sausage sizzle, and lots of swimming.

Everyone enjoyed the visit from Walter and Wendy, the Watch Around Water mascots.

Unrestricted Burning Period in Effect

The Shire of Gingin entered its Unrestricted Burning period from 2 May to 30 September and permits to burn are not required during this time.

While there are no fire restrictions on burning during this period, we encourage everyone to be vigilant and responsible for their burns. This includes the good practise of letting neighbours know you are planning to burn, and registering your burn with DFES on 9395 9209.

Council Decisions

The following decisions were made by Council at the Shire's May Ordinary Council Meeting:

- Development approval for an expansion to the existing Extractive Industry (sand and limestone) on Lot 222 (280) Caraban Road, Caraban – *approved by Council subject to conditions.*
- Development approval for a Rural Industry (Wheat Milling Plant) at Lot 42 Hoy Road, Coonabidgee – *approved by Council subject to conditions.*
- Development approval for two (2) chalets on Lot 413 (598) Caraban Road, Caraban – *approved by Council subject to conditions.*

In addition, 5 other items were presented to/deliberated by Council.

More information on the decisions from this Council meeting can be found in the Meeting Minutes which are available for viewing at gingin.wa.gov.au/council-meetings, or in person upon request at either the Gingin Administration Centre or Lancelin Office.

Community Consultation – Surveys Open!

We currently have **three** surveys open to the community – more information and links to each one can be found on the **Community Consultation page** of the Shire's website gingin.wa.gov.au.

Resident Perception Survey 2023

The Shire is now undertaking its Resident Perception Survey, results of which will help us plan for the future and inform our two-yearly review of the Shire's Strategic Community Plan. The Shire has engaged Research Solutions as an independent research company to administer the survey. This year, we are providing our community the option to complete either a long and short version of the survey.

Survey closing date – 30 June 2023.

Youth Survey for Parents, Guardians & People Who Work with Young People

We received many thoughtful and insightful responses to the recent Youth Survey, and now we want to hear from parents, guardians, grandparents, teachers, or anyone who interacts or works with individuals aged 10-25 years.

Survey closing date – 16 June 2023.

Juniper Home & Community Care Survey

Service provider of care, accommodation, and support services for older Western Australians – Juniper - is currently conducting a survey to gain a better understanding of the home and community care needs of residents living in the Shire of Gingin. They are keen to understand how many community members are accessing a Home Care Package or Commonwealth Support Program, as well as how many members need support but have not yet tried to access services.

Survey closing date – 30 June 2023.

- Take hardwood cuttings of bare leafed shrubs
- Reduce watering of potted and indoor plants
- Watch for caterpillars on members of the cabbage family – cauliflowers, broccoli, brussel sprouts, rocket. Look for and squash caterpillars visible on foliage. Look hard! They can be green and very small, blending in near perfectly with the leaves. Look on both side of the leaves.
- Plant Rhubarb and Asparagus
- Plant roses
- Propagate Carnation cuttings (side shoots)
- Apply copper fungicide or similar to deciduous trees
- Dig over empty vegetable beds and enriched with blood and bone, or dynamic lifter
- Look and clean up scale infestation scrub off small infestations with a toothbrush dipped in white oil, spray heavy infestations with white oil and apply systemic insecticides targeting scale. Cut off badly damaged stems and leaves
- Apply liquid fertiliser to developing vegetables
- Plant potatoes, sweet potatoes, chives and shallots
- Apply rotted cow manure around roses
- Tip prune young sweet peas
- Plant last of Spring bulbs, including tulips and hyacinths
- Lawns – hand pull weeds or spray when there is no rain forecast. Get them before they go to seed so it won't be as big of an issue next year. Keep an eye out for other pests eating the roots or leaves of lawn and treat as required

THE CHANGE MAKERS WEEK

We are the Change Makers
#NVW2023 #TheChangeMakers

On Saturday the 20th of May the wonderful volunteers within the Lower Coastal Communities were treated to a meal, dessert and a thankyou gift (a pen) at the Guilderton Country Club as part of the celebration of National Volunteer Week .

**This event was
fully funded by a
grant from**

**Lotterywest and
Volunteering Australia and WA**

This is the second year this event has taken place and was only possible due to the Lower Coastal Communities writing letters of support . The Grant application was submitted this year by Sovereign Hill Community Association and last year by the Woodridge Community Association.

Thank you to all the lower coastal associations for on going support of this event thank you Guilderton, Neergabby, Redfield Park , Seabird, Sovereign Hill and Woodridge. Volunteers and their partners represented 30 volunteer groups within the lower coastal communities. Each group listed below was asked to do a 1 min talk about their group. All groups could not operate without volunteers.

Huge thank you to Julie P, Courtney N and Sue H. These ladies liaised with the groups, sent invitations, set up on the night and did all those jobs that made the night a huge success.

Thank you to the Guilderton Country club and all the hard working staff for being so accommodating and working and keeping us all fed.

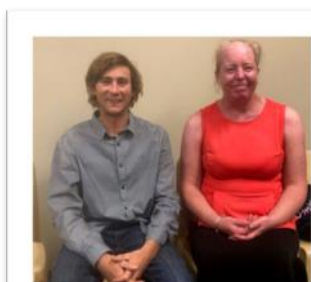

Every table was asked to write down some key points about why they volunteer, what are the positives and any comments. These will be collated and sent to the Volunteering WA.

***Volunteers are Change Makers

the world a better place.***

They sure make our small community fantastic.. Here are some of the photos taken of the groups and speakers on the night. Refer next page for more think the smiles say it all . Everyone had to wear red..

Regards Sue H

From Judy:

Repentance from sin in our hearts and lives is the key that opens the door to our relationship with God, and forgiveness is the key that opens the door to our relationship with our fellow man. None of us can say that we are perfectly perfect! Consider King David who had Bathsheba's husband Uriah unobtrusively killed in battle so that he (David) could take Uriah's wife for himself! (2 Samuel 12&13). All sin is not necessarily obvious, but God sees the secret thoughts intents of our hearts and will ultimately reveal them because He is a God of justice. David's repentance was because he had offended both God and man. 'For I acknowledge my transgressions; and my sin is ever before me. Against thee, thee only, have I sinned, and done this evil in thy sight; that thou mightest be justified when thou speakest, and be clear when thou judgest.' (Psalm 51:3-4). And now consider the Lord's Prayer (Matthew 6:11-12,14) 'Give us this day our daily bread, and forgive us our debts as we forgive our debtors....For if ye forgive men their trespasses, your heavenly Father will also forgive you; but if ye forgive not men their trespasses, neither will your Father forgive your trespasses.' As Jesus said on the cross '...Father forgive them; for they know not what they do...' (Luke 23:34). We are all accountable, because one day we will all stand before the judgment seat of God, so as we appropriate the work of Calvary where Jesus shed His blood and paid the price for all of our sins, let us say 'Father, forgive me my sins, and please come into my heart and life that I might know your salvation and find forgiveness and peace'. 'For all have sinned, and come short of the the glory of God; being justified freely by his grace through the redemption that is in Christ Jesus:' (Romans 3:23-24). **MOORE PRAYER:** As we gather together to pray, the needs around us are great, but thankfully we have a prayer answering God. He does not always answer the way that we think he should, but we know that he has a greater purpose and plan for our lives that we don't always understand. Sometimes He just wants to humble and prove us so that he can do us good in our latter end. (Deut 8:16) Therefore, we pray with faith, believing that God knows what is best for all of us. Please feel free to let us know of any needs that you may have and we will bring them before the throne of grace. Confidentiality is assured. You are welcome to join with us. FREE FOOT SCAN!

PAINFUL HIPS, KNEES, BACK, NECK AND FEET?

"Your feet are your foundation - any imbalances, collapsed or high arches can cause rolling in or out, and problems to rise up through the body resulting in so many problems."

"Imbalances and collapsed arches can lead to bunions, heel spurs, neuroma's, plantar fasciitis, ankle problems, knee, hip, back or neck tension and wearing down of the joints."

"People spend so much money on trying to find comfortable shoes, and searching for temporary solutions that end up costing thousands of dollars."

"This free foot assessment can end all searching. I will assess the foot assessment and let you know based on the findings, the impact on your body."

"I custom fit orthotics based on the bone structure of the foot and let YOUR body give feedback straight away. You will feel taller, straighter, balanced, and more importantly notice the relief in the body as pressure has been taken off the joints and all arches are fully supported."
