I would like to send a HUGE thanks to Moore Clothes for your extremely kind donations.

On a recent trip to the Philippines to visit my scout family, we also visited the Basco slum area, which was extremely heart wrenching.

We visited the local market and bought enough food of chicken, rice and bananas to feed 150 children.

We also took 3.2kgs of small easter eggs, a real treat for the children.

But the kindest donation of 32 pair of shoes, 4 huge black garbage bags of clothes, which added up to about 60kg spread amongst numerous suitcases, and reading books.

These were given to the children and the looks of delight on their faces and the huge smiles was absolutely priceless, to have new clothes and shoes.

This will remain with us for a very, very long time.

These children have so little, so what Moore Clothes did for them was so appreciated by all.

Your kindness and generosity is absolutely amazing. Many thanks to your team xx

MEDIA RELEASE

Sun City Group New Operator for Guilderton Café

At a Special Council Meeting on 30 May 2023, the Shire of Gingin agreed to reassign the existing commercial lease for the Guilderton Café and General Store from Belgravia Health & Leisure Group Pty Ltd to Sun City Group Pty Ltd.

Sun City Group, owned and managed by John Young and family, has been operating the supermarket at the general store location next to the café as a sub-lessee since 2022.

Following the closure of the café back in January this year, Belgravia Leisure called for expressions of interest for café operators and of the 18 candidates who made submissions, Sun City Group's application was the strongest and most appropriate.

"Their demonstrated track record within the current premises and their adaptability regarding the café's operation made them the most suitable choice," said Belgravia Leisure WA State Manager, Rohan Gunton.

Gingin Shire President, Wayne Fewster added: "During the period that the Young family have been operating the supermarket in Guilderton, we've received nothing but positive feedback from the community on the terrific service they are providing.

"We are really pleased with this outcome and look forward to working with John and Sun City Group to see this facility open and providing the community and visitors with great service once again."

The reassignment of the lease to Sun City Group is effective 1 June 2023 and it is expected that Sun City Group will transition into the café space over the coming weeks.

Sun City Group Managing Director, John Young said: "We are hoping to bring to Guilderton and surrounds a really good hospitality experience, and we're looking forward to giving locals and visitors something to enjoy."

As the café re-establishes, Sun City Group will provide updates to the community.

PLEASE SLOW DOWN when you see black cockies drinking from puddles by the side of the road. It should be common sense but obviously it's not for everyone.

These gorgeous birds are slow to take off so need a bit of time and space to get high enough to avoid a car. I came across 3 hit on Indian Ocean Rd a month ago. 2 sadly were dead and one alive, still in the middle of the road with cars zooming over her.

She was lucky enough to survive with bad bruising and a damaged eye and after a week at the zoo hospital is now being rehabilitated at the Native Animal Rescue in Malaga.

If you find an injured bird please get them to the local vet where they will be picked up by the Carnaby rescue group or better still get them to the zoo or Native Animal Rescue (92493434) yourself, keeping them covered and the car quiet to avoid further shock and stress.

Main Roads and DBCA have been informed and hopefully will be looking to put signs up to make people aware they feed and fly low through that area. With their banksia woodland disappearing along the coastal strip, Gnarangara pines being cleared as well as other habitat and food threats these already endangered beautiful birds could be extinct within 20 years. EXTINCTION IS FOREVER.

To find out more and see how you can help follow [savetheblackcockatoo](#) and action to save perth's carnaby's black cockatoo. We all belong to this amazing planet let's make it safe of all creatures

NOTES FROM SEABIRD

It's getting quiet here due to the change in weather, although the Tavern Caravan Park still has customers.

Seabird "Vultures" Golf Club

In 2020, following the creation of an excellent putting green on the edge of the Seabird oval, Seabird residents decided to create a golf club.

We are a small group, however, this has created a lot of interest and enjoyment for locals and visitors. Apart from regular games, we have small 'golf rounds' at the oval and social gatherings at the Seabird Hall.

Our playing members play weekly at Ledge Point Golf club. They meet at the Seabird Tavern at 10.30 and travel to Ledge Point for 9 holes of golf, followed by drinks at the 19th (Back at the Tavern). Visitors are welcome to come along for a game. We have had visitors from Kulin and Waroona to add to the fun.

Each year we host the Kulin vs Seabird Cup, won this year by Kulin. A group of golfers also travel to Kulin in August to play in their Clayton's Cup.

The inaugural Club Championship commenced on June 19, results in next MR News! Belated good wishes to all players. Continued....next page

Hi team,

On Sunday 18th June, we had a lovely sunny morning down on the Guilderton dunes planting native seedlings with the 30 vollies who came along to help - including an iridescent tutu wearing toddler

We intensively planted the final section of the degraded dunes we've been fixing up for the past 4 years then moved on to a second area. We planted and guarded over 800 seedlings and then did a rain dance before enjoying a roast lunch at the Club.

Huge thanks to Rachel and Helen from Moore Catchment Council for arranging the grants and growing the seedlings, everyone who helped out and to the State Natural Resource Management Program WA for funding the seedlings **Linda Johnson for GCA**. GUILDERTON VISITOR CENTRE

With the cooler weather upon us we are not having so many visitors through the centre so we are only opening weekends and public holidays between 9.30 and 12.30. Did you know that the idea of an Information Centre first came about in June 2001? This was when a group of young researchers from La Trobe University in Melbourne tabled a report which advised that nature based tourism offered the best future for development in Guilderton. Following this report and a bit of deep thinking, the Shire agreed to hiring a suitable trailer and park it in the foreshore carpark just east of the toilets to be used as an information centre. The date was 12th February 2002 and it remained there until after the June long weekend.

Stay tuned for what happens next in the life of the Guilderton Visitors Centre. This information has been taken from John Prince's book "Secret No Longer".

If you would like to join our little group, like meeting new people and imparting local knowledge to visitors than give Linda a call on 0414631273 for more information.

Guilderton Golf Club is currently looking for new members to join our golf club.

The course is set in a bushland nature reserve, where you can enjoy a game on a beautiful, picturesque 9 - hole course, situated close to the Moore River.

Although it is a comparatively short course at only 4621 yards for 18 holes, the course will provide a challenging round of golf for both novices and experienced golfers alike.

Undoubtably, the most entertaining hole is the 19th, where members socialise and share tales of the missed putt and the infamous 2nd hole.

Membership of the Golf Club includes the added bonus of being a member of the Country Club, which is under new management and serves fine food, wine and great entertainment.

If you have spare time on a Wednesday or Saturday and would like more information on becoming a member, please email the club secretary (Ian) at guildertongolfclub@gmail.com

DEMURE DAMSELS RED HATTERS

The weather gods certainly look after this Red Hat group! Not once in seven years have we been rained off, although the Car Rally tempted

fate! The forecast was not good, the morning was overcast and a light shower tried to dampen our spirits at Iluka Reserve where we had morning tea and watched a quenda playing in the children's play area, fascinating to see one so close.

The second half of the car rally finished at The Duke where we had lunch and proceeded to watch the rain come down in the proverbial buckets! We do have a saying "Doesn't Rain on our Parade", but by golly, sometimes we think we temp fate. Just a mention – every car got lost at each once! But we all ended up in time for lunch.

Some ladies had an outing to Bunnings where they learnt how to look after their indoor plants, how to use a drill as well as an explanation of all the different drill bits and wall plugs. They were also shown some alternative for hanging pictures, etc, before a morning tea and coffee voucher. Thank you to Bunnings, Mindarie.

Another group of ladies ventured to Sorrento Bowling Club where they were shown the intricate game of croquet. This outing certainly opened many eyes as to just how strategic the game of croquet is – croquet warfare was declared a couple of times.

At least three ladies intend joining their local club either at Sorrento or in their area. What a pity we don't have a croquet facility in Guilderton! There would be several members just from this Red Hat group!

End of June has us on a tour of the SAS (Campbell Barracks) in Swanbourne. We will also visit the Perth Concert Hall, Government House and Parliament House coming up over the next few months.

If any of these activities seem like your cup of tea (or glass of wine) please call.

Jobs for mid Winter

- ♦ - Rake fallen leaves. Use them for mulch and composting.
- ♦ - Shift roses or plant new ones now. Deadhead roses and give a good prune
- ♦ - It's a great time to propagate deciduous trees and vines. Grapevines can be struck now if you're wanting more
- ♦ - Finish pruning dormant fruit trees now, including grapevines.
- ♦ - Apply liquid fertiliser to vegetable seedlings
- ♦ - Prune fuschias to two-thirds their size, cutting just above a bud
- ♦ - Spray dormant fruit trees with oil, adding copper or lime sulphur to prevent gall wasp and other pests
- ♦ - Lawns - Winter weeds are in full swing. Treat with selective herbicides if there appears to be more weeds than turf, or, pull up by hand.
- ♦ - Keep spraying citrus fruit trees with trace elements regularly. Applications of pest controls and nutrients should be done with time between each. Apply pest control one week and nutrients the following week. Stone and pome fruits benefit with a watering can application of trace elements. Check the instructions if you're not sure.

Maintain, sharpen, and lubricate garden tools.

Now is good time to get petrol powered equipment serviced before the next growing season kicks in.

Lancelin Projects Completed

It's been a while in the planning but the redevelopment of the **Cunliffe Foreshore area** in Lancelin is finally complete.

Works included:

- Asphalt overlays for both Cunliffe Street and Grace Darling Park parking areas, and asphalt for Hopkins Street and Cunliffe Street including drainage works.
- Line-marking for parking bays.

The Cunliffe Foreshore redevelopment budget was \$588,000 of which \$250,000 has been funded from Australian Government's Community Development Grants Program.

Moore Clothes has had a tremendous month. We started off finding out that our grant application to the Foundation for Rural and Regional Renewal for part payment of outdoor blinds for our verandah area had been

approved. Watch this space for further details of this project.

We then heard that our grant application to Australia Post had also been approved. These funds are earmarked for a wireless microphone headset and gazebo sides to be used at our fundraising events.

We thank both FRRR and Australia Post for their support. Organisations such as ours could not exist without their generosity.

We then turned our heads to the organisation of the mini makeover of the Moore Clothes building. However, looking back I think mini somehow turned to maxi. It all started with an approach by Bill Hooijer with the offer of new carpet tiles. As we had to strip the building we thought we might as well patch and repaint.

So the shop was closed for 13 days while we removed all the furniture, patched and mended walls,

repainted, ripped out the carpet, relaid new tiles, fitted skirting boards, revamped the kitchen cabinets and then put everything back in with a new layout.

Over 300 hours has been clocked up by 23

volunteers on this massive effort which still needs some tweaking.

Thanks everyone, it just goes to show what can be achieved by dedicated volunteers.

One special mention should be to the mosaicing group who undertook the task of mosaicing the kitchen bench top. A total of 90 hours was clocked up by these 10 ladies and what a masterpiece it is.

Thanks goes to:

Bunnings Mindarie for the donation of paints and accessories;

Beau Groat, City Commercial Floor Covering, Wangara for supplying the carpet tiles;

Bill Hooijer for laying them;

IGA Two Rocks for donation of the supplies for our Thank You BBQ for our helpers;

Redfield Park committee for allowing us to use the hall to store all our clothing in during shutdown;

Shire of Gingin for the assistance they have provided;

And to our fantastic helpers - Bill, Carol, Caron, Chesson, Diane, Eileen, Heather, Jackie, Joan, John, Judy, Julie, Ken, Maria, Margot, Pat, Phil, Shirley, Sonja, Steve, Sue, Warrick and Wendy

Our grand reopening was on Tuesday 13th June. If you haven't been in yet put it on your calendar, we would love to see you and get your opinion of all our hard work. Thank you

Sovereign Hill Community Association Inc. will be holding its annual general meeting on **Sunday 30th of July at 4pm.**

The community association exists for the residents of Sovereign Hill. We look at local issues that directly affect you and work with the Shire for positive results. Some of the work we do does require volunteers.

Mowing the lawns and maintaining the gardens at the front entrance. Mowing the lawns and cleaning at Sovereign House. Some of this work receives funds from the Shire and some is apart of our lease agreement for Sovereign House. We do need more volunteers and the more we have the less each individual has to do.

Our main fundraising focus is the replacement of Sovereign House and providing support towards a LCCA community bus. Sovereign house is used by local groups and is available for hire. We would hate to loose this valuable community asset.

Please come along to the AGM -

1. Support your elected representatives
2. Give us your ideas for a better estate
3. Meet your neighbours

GUILDERTON COUNTRY CLUB

Welcome to everyone, especially to our existing and new members, from all of us here at the Guilderton Country Club.

Well, were to begin? things have been so busy at the club I forget where we are up to!

Firstly, thank you to EVERYONE who either donated produce to sell or of course purchased some of our yummy treats to raise money for the "Biggest Morning Tea" in support of the Cancer Council. This money raised as well as another couple of generous donations, helped us raise a fabulous amount of **\$726!**

Our Italian Feast night was a massive hit, enjoyed by all that attended! Everyone was especially happy with the value and quality of the food! Our fabulous Chef Mandy and her team are loving bringing new specials and creations to you all! Be sure to pop in and see our specials board that always has something different!

The 'Live Music Rock Quiz' on the 3rd of June was a huge success. The Country Club was fully booked with only a couple of tables spare outside. The vibe was amazing, and the Rock quiz did exactly what it says on the packet! Thanks to the 'Boogie Club' (Will & Colin) our members and guests got involved in the

quiz and on the mic, and all our staff and volunteers had a ball listening to the music as well. Keep your eyes peeled for the next event! Following the Rock Quiz, we had some lovely live music on the Sunday with it being a long weekend giving our members and guests a great relaxing Sunday afternoon with Rob West.

June also saw us host a fabulous luncheon for the Mercedes and Porsche Car group, the weather was lovely and the club full with our local Conservation group also joining us for lunch after a busy morning planting out the dunes.

Check out our Facebook page, we try to keep everyone updated with what's happening weekly, like our Fridays member draw which is at \$950 (when I wrote this), huge weekly meat raffles courtesy of our local IGA! Pool Comps on Wednesday are so much fun with the winner usually netting \$160! And what about Thursdays? Have you been in and tried our NEW Parmis or Schnitzel??? How can you go wrong with a beer/wine or soft drink included for just \$20?!

During the school holidays we will be holding our ever-famous Free Bingo Family fun, please get your bookings in asap as these evenings always fill up, you and the family will not be disappointed.

Towards the end of the month, we will be hosting another themed night, Christmas in July. Get your friends and family together, put on a bit, of or a lot of Christmas cheer and come down to enjoy a yummy Christmas style dinner with all the trimmings and dessert! Who has a Christmas Jumper?? Perfect time to pull it out.

'To everything there is a season, a time for every purpose under heaven:' (Eccl 3:1). 'Come now, you who say, Today or tomorrow we will go to such and such a city, spend a year there, buy and sell, and make a profit'; whereas you do not know what will happen tomorrow. For what is your life? It is even a vapor that appears for a little time and then vanishes away.' (James 4:13-14). No one knows what the future holds for any of us as the pressures and stresses of life are upon us in this hour. When Jesus died and rose again from the dead He said 'I am the Alpha and the Omega, the Beginning and the End.....the First and the Last..' (Revelation 1:8,11); therefore because He is alive today and I have given my life to Him, I can have hope for the future. As he said to Joshua '...as I was with Moses, so I will be with you. I will never leave you nor forsake you. Be strong and of good courage...' (Joshua 1:5-6). '...so we may boldly say; The Lord is my helper; I will not fear. What can man do to me?' (Hebrews 13:6). 'But as for me, I trust in You, O Lord...You are my God. My times are in your hand...' (Psalm 31:14-15). When we commit our lives into His hands we have a living hope as we see the things of this world crumbling around us. Do not fear what tomorrow holds but rather reverently fear God and put your trust in Him - He cares for you.

MOORE PRAYER: As a group of local christians we are praying for the community, our family and friends. If you would like to join with us, or let us know of any special need (confidentiality assured) please phone either:

Sue - 0419 035 777 or Judy - 0429 108 892.

May God bless you and keep you safe in these days of turmoil, strife and adversity."

Sovereign Hill Crafty Witches Group

By golly some of these mornings are chilly, make sure you have one of our beanies, scarves, gloves or fingerless mittens for your morning stroll. Just get in touch with Wendy or Dianne to arrange a viewing of our hand crafted items. We are busy creating items just in time for sending to Europe for their winter Christmas.

Is there something in particular you would like us to create for your gifting? Or if you would like to learn how to create something yourself come along on Mondays. Or if you just want to pop along for a coffee and cake (there's always chocolate biscuits too!), meet some local ladies, you would be most welcome any Monday morning from 9.30 at Sovereign House.

It was great to welcome Megan back after a gap of about two years, we do hope you keep coming along Megan.

Wendy has told us of experience during the mini tornado here in Sovereign Hill on June 5. Eight or so trees were felled by the tornado giving them plenty of firewood for 2024! But other properties had much more damage, they consider themselves lucky, and fortunately no-one was injured.

Only 7 cookbooks left! Why not secure one for your Dad for Father's Day? All recipes can be created by your husband, father, brother or even teenagers!

Any enquiries please call Wendy on 0429-938-232 or Dianne on 0414-469-297.

Be happy, be warm and be kind.

Wendy and Dianne Co-ordinators

SOVEREIGN HILL GARDEN CLUB

Our May meeting was a very interesting topic with lots of discussions and input by our members. The "hot topic" was Fire Resistant or Retardant Plants.

It must be remembered that all plants will burn to some degree – some are just better at protecting your property than others.

This can be by their water content like succulents and cacti, ember protection through their bushy, glossy leaves or by just planting trees as a windbreak. We then went on to discuss what has worked or not worked in our gardens. One of our members spoke about her steam weeding machine which they are using. The topic was so interesting she will be giving a presentation on this at our next meeting.

Our next meeting will be on Saturday 8th July commencing at 1.30pm at Sovereign House. If you would like to join us or need further information on the Garden Club give

Wendy a ring on 0429938232.

COPS**CORNER****Burglary – Ledge Point Golf Club – Call for Witnesses**

We're keen to hear from anyone who has information about the Burglary at the Ledge Point Golf Club on Friday night, June 2nd. The offenders forced entry to the club's machinery shed, started a tractor and drove it through the rear wall, causing significant damage. This senseless destruction is extremely frustrating to the volunteers who put so much work into these clubs. Please note you can report information anonymously to Crime Stoppers on 1800333000 or www.crimestopperswa.com.au.

Fatal Crash at Indian Ocean Drive & Lancelin Road Intersection

On Friday June 2nd Lancelin Police and our emergency service partners from SJA and VFRS responded to a fatal traffic crash at the intersection of Indian Ocean Drive and Lancelin Road. Thank you to those who assisted and supported the teams working at this critical incident. This intersection is of concern to Lancelin Police. We are continuing to work with Main Roads in an effort to improve the signage and safety at this intersection, however until this is in place, please take care and be vigilant in this area.

Hoon Charged

On Sunday May 28th a 'Hoon' from Perth came to Lancelin and decided it was a good idea to do a burn-out at the Lancelin Information Bay. A 28-year-old male from Perth was tracked down by our team and on June 17th he was charged with Reckless Driving & his car impounded for the offence.

Emergency Services – Welfare Information Session

Due to the regular critical and fatal incidents our local Emergency Service personnel continue to attend, Lancelin Police facilitated a joint emergency services welfare information session in Lancelin on Tuesday June 6th. Clinical Psychologist Philip Makarios from the WA Police Force Psychology Unit briefed personnel from our local St John Ambulance, Volunteer Fire & Rescue Service, Volunteer Marine Rescue, Silver Chain and Police. The session was very well attended and gave all of our partners some very useful advice for looking after ourselves and our teams, as we regularly attend to and deal with traumatic incidents. To best look after the community, we need to be healthy ourselves. Thank you very much to the SJA team for hosting the session and to Terrie James and her team for cooking up another delightful spread.

Hefty Fine for Distribution of an Intimate Image

In February this year, we charged a 39-year-old female from Woodridge with 'Distributing an intimate image of another person without consent' after an investigation into the matter. On the 8th of May the offender plead guilty in the Joondalup Magistrates Court, was fined \$5,600 and the Magistrate ordered the destruction of her mobile phone, which was used to facilitate the offence.

Female Charged with Drink Driving in the Lancelin Sand Dunes

On Sunday June 4th a 39-year-old female from Perth was charged with Excess 0.08% & her drivers licence was immediately disqualified after she was caught drink driving at the Lancelin Sand Dunes.

Until next time, please take care on the roads and report any suspicious activity to Lancelin Police on 9650 1100, 131 444 or through Crime Stoppers on 1800333000. Don't forget about the phone application 'Eyes on the Street' which you can use to report suspicious activity quickly & anonymously.

On Wednesday 14th June, the Woodridge depot of St John Ambulance hosted the Youth Emergency Services Cadets from Two Rocks.

Some 34 Cadets plus 3 of the Mentors thoroughly enjoyed the evening.

We had a meal before they started their first aid training with several Volunteer Ambulance Officers from both Woodridge & Lancelin.

They learnt about snake bite, CPR, splinting, etc. They checked out the inside of the Ambulance, the 4Wd Ambulance & Support Trailer.

Overall, it was a very productive night & great feedback ensured they enjoyed the evening.

These Cadets range from 11-17 yrs and are the future of our Emergency services. It was a pleasure to host such a evening for the Cadets.

We had our Emergency Medical Responders training course on the 17th June, with a great bunch of 7 new volunteers coming through.

We welcome them to Lancelin & Coastal districts team where they are made very welcome.
