Dear Editor,

**INDEPENDENT REPORT RECOMMENDS
RELOCATION OF GUILDERTON HOLIDAY PARK**

The recently released Coast Management Report prepared by the Gingin Shire and independent experts, Cardno, reflect that some public assets in the foreshore area are at risk of erosion damage.

The report states “Over time, some of the caravan park assets may need to be relocated, and this should be undertaken in such a way as to progressively return portions of the lease to provide a public foreshore reserve”. And further, there is a present day vulnerability of those assets.

The report’s recommended options for the Moore River foreshore area include –

- Avoiding further development
- Gradual relinquishment of the foreshore reserve
- Removal/ relocation of assets
- Shire be prepared with appropriately zoned land available for relocation.

The Shire is to deliver the report’s recommendations by avoiding all further development of the affected areas, and in the short term, will work with the caravan park lessee to ensure all new infrastructure is lightweight and can withstand minor coastal impacts, including flooding.

The Gingin Shire is the owner of the Guilderton Holiday Park, and further development is not recommended by its own report. Given the current issues the owners face, with capital expenditure required for specialist sewerage works, as well as a park no longer suitable for larger caravans and rigs, and how to manage and reduce congestion at the park entry, any further investment is unjustified, when its current location is susceptible to present day and future coastal erosion and flooding.

Relocating the Guilderton Holiday Park in the best interests of the town and our community.

**Concerned resident,
Wil Cuperu**

FANTASTIC - PHIL'S HOLE IN ONE

Phil Flavell, our hardworking Club Captain, scored an outstanding hole in one on Sunday 1st October.

His touch of brilliance took place on the very challenging hole number 17: 186 metres par three. And he was hitting into a howling breeze!

Reports are that he was having an average day (by his standards) but that all turned around when let loose with a boomer on the 17th to cause great excitement around the course and Club.

While our course is relatively short but challenging, the 17th is always a tough ask.

The last hole in one at Guilderton was in 2019 and was scored by Roma Prince on the 4th.

It's been a long time between drinks, but well done Phil, who is well known around Moore River for all of his volunteer community work.

It couldn't have happened to a more deserving golfer and community member.

The Golf Club AGM was held on the 15th October with most of the Committee members re-elected and with Abe Wright joining the committee we now have more committee numbers which is a very encouraging sign.

CRAFTY PATCH

Quilting with Friends
Keeps You in Stitches!!

We are a group of ladies that enjoy chatting together whilst doing craft projects. Many different crafts are undertaken and we even surprise ourselves with what our members achieve.

On Tuesday 24th Oct, we are going on an outing to Mandurah by train. When we arrive at the Mandurah station, we will then travel to the foreshore by bus to partake in a luncheon at one of the cafes. So looking forward to it and we thank one of the members for organising it for us. Thankyou Mary B.

If you are at all interested in joining our group, we are a lovely bunch of ladies who are willing to share our skills etc. Pop in and have a cuppa and a chat.

We are currently organising our breakup Christmas luncheon which will be held in the hall. Always a lovely day.

NEW MEMBERS WANTED

Over the last couple of years Crafty Patch Numbers have Dropped with members selling their properties and heading downtown. Most still try to come up, but travelling takes its toll.

We would love new members. Pop in and meet the ladies. Our ladies do quilting/sewing, knitting, scrapbooking, embroidery, crocheting and other assorted crafts.

We meet Tuesdays at Woodridge Hall 9-12

GUILDERTON VISITOR CENTRE

The Visitors Centre opens to the public on weekends, public and school holidays between 9.30 and 12.30pm. Now with the summer approaching and bringing the warmer weather, it is hoped that the tourists will flock back to Guilderton. We will be ready for them.

The Centre

.....is stocked with heaps of Tourist information brochures not just on the local area but further afield

.....our shelves are full of small items of gifts and local produce

.....our volunteers are well informed on local happenings and events they may be interested in.

So its nearly showtime.

Would you like to help us out at the Centre. We would love to hear from you. Call Linda on 0414631273 for more information

NEERGABBY FIRE WORKS

What a fantastic evening.....Sunday 24th September the Neergabby Association [NCA] once again hosted its cherished traditional Fireworks and Bonfire night on its well-prepared grounds. Crowds began entering the gates at 3pm for this community event, setting up chairs and picnic rugs in preparation for the 7.30 explosive display.

Afternoon entertainment consisted of face-painting, bucking bull and bouncy castle. Food vans gave choices from Thai, corn on the cob, baked potatoes, ice cream and coffee, all being extremely popular.

A huge raffle basket, glow-sticks, glow ears and stubby holders were also available.

The bonfire was lit at 6.30 with flames rising to spectacular heights on this windless night.

The local Ambulance volunteers and Fire brigade were present to ensure everyone's safety. Thank you to these important community people.

Thank you to the sponsors, without whom this crowded family event would not have been possible....**Bogdanich Farms, AAA Egg Pty Ltd, Bendigo Bank, Gingin Shire and Costa Well Grown.**

Plans are already in place for next year's Fireworks and Bonfire night. Sunday 22nd September 2024.

Redfield Park News

The committee has been working hard hosting 2 Bunnings BBQ fundraisers recently.

The committee will be cooking again at the Music in the Park coming up on January 6th from 5pm.

We welcome new residents and would encourage you to join the Association and help out - we are always looking for help.

A reminder that our community hall is available for hire and use for social events - craft, mosaics etc. (Call Julie on 0410582817 for more info.)

For those who don't know Redfield Park has a community play ground, mini golf and lawned area, also our committee supports our local Volunteer First Aid Post (need help contact **0488 221 881**)

Residents and parents - can you please talk to your family, at the community block recently we are having trouble with vandalism / damage to community property - recently someone set fire to used books from our little library and burnt the artificial lawn on one of our mini golf greens (which are very expensive to replace).

We love the block being used but it's disappointing doing all the work/fundraising only to have this kind of damage happen.

Redfield Park needs a **Cleaner** for the community hall, must have ABN Please call Julie for more info 0410582817.

Sovereign Hill House**

Annual fee \$5.00 | Weekly fee \$3.00

It has been a quiet month as a few members are away, either due to illness or travelling.

Our President Dot, is now recovering from an operation. She must rest for a couple more weeks and we wish her a complete recovery.

We have all been helping, acting in various roles and hopefully, everyone will be back on board soon.

Members are still controlling their weight, and it really does help to come to Weight Watchers. Besides the support we receive from each other, we all have snippets of information on ways to stay healthy. Sharing healthy recipes with less sugar & salt.

After a meeting this month Dawn, one of our members, demonstrated covering CD discs with all sorts of ceramic tiles. From the photos, you will see it brought out our creative sides (with a lot of assistance from Dawn, I might add).

Until next time, stay safe.

SOVEREIGN HILL GARDEN CLUB

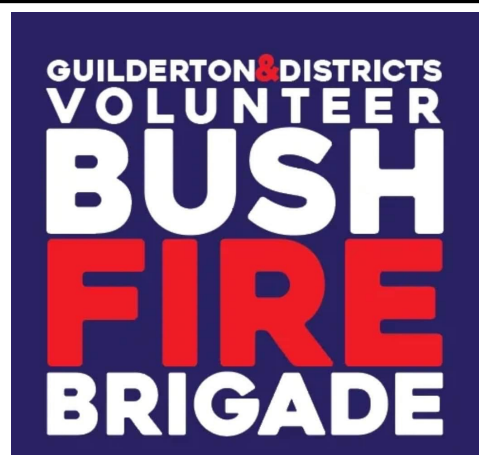

Our October meeting was held at Anne's in Woodridge where the topic for discussion was Worms. Anne related some very interesting information on their habits and requirements. She also went on to explain how she sets up her worm farm for maximum efficiency. Something we did learn is that a worm tea can be brewed by mixing the castings and the worm liquid together to create an amazing brew that is supercharged with a diversity of beneficial microbes, enzymes and growth promoters. This can then be spread around your plants to encourage microbiological activity and speed up the growth rate of bacteria, fungi, protozoa and nematodes helping plants compete with other pathogenic organisms. In other words - it's good for them. We then had our round table discussion followed by a walk through Anne's garden and afternoon tea.

With all the interest generated in the various activities we completely forgot to check out the Worm Farm - next time.

Our next and final meeting for the year will be at Chrissy's in Sovereign Hill on Saturday 4th November. For more information call Wendy on 0429938232.

Wendy

A big thank you to Guilderton IGA, Guilderton Roadhouse and Jo and Steve with the Containers for Change for the very generous donation money collected, it is very much appreciated.

A reminder permits are required to burn, and that the end of the restricted burning period is the end of November but may be brought forward due to the warmer weather we have been having. Be mindful that any burning you do will possibly take off very well due to the drier conditions recently.

Call DFES to log your burn on 9395 9209 or 1800 198 140 prior to burning, so that you don't get an unexpected turn out from a local brigade when someone sees smoke. No burning on Sundays, windy days, and Public holidays....

Safe burning guys 🔥

Thank you everyone for your support

We held our fashion parade on Sunday 15th of October and it was a fantastic event, everything went well, the models were amazing and entertaining.

We were treated to another Smile performance aimed at promoting the work our group does, so many jokes and laughs - you really need to see these ladies perform!

We could not put this on without all the help we receive from the community. Special thanks to Photographer Barbara H, Moore Septics, Glenn, Gingin/Chittering Lions Club, Redfield Park Comm Assoc., Sovereign Hill Comm Assoc., Fred -Bendigo Bank, Moore Mens Shed, All models and the Moore helpers and family .

We are still collecting for the dignity bags which will be made up and delivered in November/ December.

We are still looking for the following items to go into these bags - small toiletry bags, small bottles of shampoo or conditioner, body wash, cotton buds, nail files, nail brushes, combs and mouthwash (all in as new condition - not half full). We do not need soap as we have plenty of these.

COUNCIL TO COMMUNITY

Lancelin Shire Office Closure

Due to recent threatening graffiti posted last Thursday directed at all Shire of Gingin staff and Elected Members, it has been necessary for the Shire to implement protection measures for all personnel which has included the closure of the Lancelin Shire Office until further notice.

The offensive graffiti was removed on the day it occurred limiting its visual impact, however as these messages threatened harm the matter is currently under investigation by Police.

The Shire CEO implemented the closure of the Lancelin Shire Office, as well as other necessary staff protection measures, in response to the threat which is being taken seriously. These actions are fully supported by the Elected Members and have unfortunately been forced upon – and are inconveniencing – the wider community. They will however remain in place until the matter is resolved.

This type of behaviour is abhorrent and completely unacceptable. Shire Staff and Elected Members do not deserve to be treated with disrespect, abuse, or be threatened with harm. The Shire will not tolerate this type of behaviour under any circumstances and Police will be notified in every instance.

When the matter is resolved, the Shire will provide an update – in the meantime this is all the information we are able to provide at this time.

What is a Rural Road Number?

Having a Rural Road Number (RRN) can assist in locating your property in the case of an emergency.

Rural property numbering is a simple distance based system - numbers are allocated in sequence, based on how far your property entrance is from the nearest road. Odd numbers are on the left and even numbers are on the right. If a property's number is 327, it's on the left side and three-point-two-seven kilometres from the start of the road.

There may be multiple lots with the same number on the same road and as the lot number does not indicate the location of your property; having a RRN helps our Emergency Services find your property.

You will need a crossover/driveway to allow our Rangers to measure and install your RRN. After the install, our Rates Department will update Landgate with your new number. The fee for this service including the sign is \$88. Please contact the Shire of Gingin if you would like a RRN installed or if you would like more information.

Firebreak Inspections 2023/24

The Shire of Gingin Rangers (Fire Control Officers) will be entering properties to complete the 2023/24 firebreak inspections as of 1 November 2023.

Owners and/or occupiers of land within the Shire of Gingin have a legal requirement under the *Bush Fires Act 1954* to carry out fire mitigation, such as installing and maintaining a firebreak from 1 November to 15 May every year.

Your firebreak should be 3 metres wide with a minimum vertical clearance of 4 metres high to enable emergency vehicles to drive along the firebreaks without access being obstructed.

Council Decisions

The following decisions were made by Council at the Shire's October Ordinary Council Meeting:

- Amendment of delegation 3.1.3 prosecution of offences (*Bush Fires Act 1954*) - *Adopted*
- Proposed resumption of land - portion of 7 (Lot 6) Ippolo Road, Breera - *Adopted*
- Subdivision referral - Lot 9500 Cheriton Road, Ginginup (Country Heights Estate) - *Adopted*
- Application for Amended Development Approval - proposed use not listed (container deposit recycling point) at Lot 301 (13) King Drive, Woodridge - *Adopted*

In addition, 6 other items were presented to/deliberated by Council.

More information on the decisions from this Council meeting can be found in the Meeting Minutes which are available for viewing at gingin.wa.gov.au/council-meetings, or in person upon request at either the Gingin Administration Centre or Lancelin Office.

Do you have a plan to protect yourself in an emergency?

Emergencies can strike at anytime, anywhere and without warning. The good news is, it's easy to protect yourself, the people you love, and the things you value most.

It's important to have a realistic and suitable personal emergency plan. DFES and Red Cross have created some easy to follow checklists and guides to help with your planning, see the links below:

<https://www.dfes.wa.gov.au/>

<https://www.redcross.org.au/prepare/>

People at higher risk and those with additional needs may have extra challenges with their planning, so it's important they receive assistance from their personal support network to fill any gaps in their plans.

Upcoming Projects

Our Operations teams will be undertaking the following works and projects in the next couple of months.

- Undertaking final preparations for the Flavours of Gingin event.
- Renovations to sports turf surfaces and final soil amendment material application.
- Fertilisation of all Shire turf surfaces under reticulation.
- Installation of BBQs at Harold Park.
- Repainting of gazebo at Harold Park.

Affected by Stable Fly?

In previous years the Shire of Gingin has been affected by large populations of Stable Fly (*Stomoxys calcitrans* L.), particularly in the warmer weather. As a result the Shire works closely with the Department of Primary Industries and Regional Development (DPIRD) with a collective view to combating the problem.

Stable Fly can be a serious pest to livestock owing to its painful bite when it draws blood during feeding.

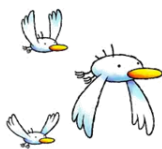

Report Stable Fly activity to the Stable Fly Action Group: <https://www.stableflyactiongroup.org.au/report-stable-fly>

Or use the MyPestGuide Reporter: <https://www.agric.wa.gov.au/apps/mypestguide-reporter>

NOTES FROM SEABIRD

Our new Gazebo/lookout on McCormick street is almost complete.

The planning for this has happened over the last 6 years with approval from State and

Local governments including Native Title.

This is a public facility, however, it has been built by the Brennan family as a tribute to their late son Tim.

Tim came to Seabird throughout his whole life of 27 years and his last visit was planting of the sea wall in August 2016. So it's fitting that it overlooks that planting.

turnaround

It has been built as a labour of love entirely by Tim's mates, both licenced builders.

The Shire has put in the car park/caravan turnaround which enables easy use of the lookout and safe turning for caravans. In the coming weeks seating and a telescope will be added, which will complete it as a great lookout.

Our heartfelt thanks to the Brennan family.

DEMURE DAMSELS RED HATTERS

During October our Red Hat ladies have had a most interesting tour at Perth Mint, with some ladies selling their surplus or damaged gold jewellery at a nice price. A couple of ladies have been to the mint previously but still insist they have yet more to learn.

A very informative session at Leanne O'Dea Funeral Director was brilliant! Every question our ladies posed was fully answered. The presentation brought a real awareness to the many things we need to consider and have ready for our family when we pass away. A delightful lunch at the Odin Hotel was enjoyed after the presentation.

November sees Adam Hall at His Majesty's Morning Melodies, a tour of Government House, a demonstration of Willie Creek Pearls at Elizabeth Quay and one of our ladies will attempt to locate the pearl (at our last visit a few years ago Karon had the pleasure of extracting the pearl) and near the end of the month a tour of WA Ballet in Maylands.

Is there something that you have always wanted to see, but can't because it needs a group – Red Hatters could well be interested too. If you have any ideas, we'd love to hear from you! All ladies, of any age, are welcome – It's not just for older ladies.

*"Everyone you meet is fighting a battle you
Know nothing about. Be kind. Always."*

NOVEMBER GARDENING

Hi garden enthusiasts,

November is Kambarang season with lots of beautiful native colours in all their glory. I had a stunning show of Kangaroo Paws in October and I'm excited to see what November brings. Its a great time to finish preparing the garden for the hot months ahead if you haven't already. Mulch, mulch mulch. Deep water plants, garden beds, and lawns to encourage the roots to follow the water and go deep. Add clay and organic matter to the soil to encourage water retention and fertilisers, nutrients, and trace elements to have plants strong and ready. Move the worm farms into a cooler spot and throw some water at the compost if it starts to look dry.

Veges to plant this month - Veges to plant - (Seed) - French bean, beetroot, boccoli, cabbage, capsicum, carrot, celery, cucumber, lettuce, marrow, melon, white onion, parsnip, pea, pumpkin, radish, silver beet, spinach, sweetcorn, tomato, zucchini. (Seedling) - cabbage, capsicum, celery, eggplant, leek, silver beet, spinach, tomato.

Task list for November

- Plant trees, shrubs, climbers, and groundcovers everywhere.

Liquid fertilise vegetables. Vegetables are a fast growing plant requiring lots of food and nutrients in a much shorter period than trees and shrubs. load them up early and keep them fed and watered.

- Spray aphid infest roses with pyrethrum. If you see ladybirds on the roses, give them a couple of days to get the aphids under control first. They're a natural predator for aphids and can get aphids under control given a chance. Spraying straight away will hurt the ladybirds and we like these little guys because they help control some pests and not having to use too many chemicals is always a good thing

- Dig out a few potatoes. Scratch away the surface soil to see whether they're ready to harvest and take what you need. leave what you don't need in the ground for a few more days.

- Check for pests on your fruit trees and spray with pyrethrum or carbaryl.

- Prune shrubs as they finish flowering.

- Plant dahlia tubers and gladiolus corms

- Prune off dead rose blooms and feed with dynamic lifter to encourage growth and blooms

- If you don't have many bees around, consider hand pollinating cucumbers, pumpkins, and melons

- submerge hanging plants in a bucket of water until bubbling stops. Dunking them helps keep them moist for a few days. Feed them occasionally with a slow release fertiliser and regularly with a liquid fertiliser and seaweed tonic.

Lawns - Keep your eye out for pests. Watch for flying moths and black beetles. Spraying when they are laying eggs or when grubs appear is the way to go. If you haven't already dealt with the weeds in the lawn during September and October you are going to have to hand pull them now. Spraying this late will encourage them to seed, if they haven't already, and this causes more problems for next year.

Hopefully, we will see many of you at the Woodridge Spring Fair on 5th November. We will be displaying many different First aid kits, kits for your Pets, 4WD kits, Snake bite kits & bandages etc, many great kits for Christmas presents. Also a colouring competition for the children, raffle & a couple of demonstrations.

We are still recruiting volunteers from our local areas. If you are interested, make sure you come & pay us a visit.

Two of our volunteers have attended

Recent events on the coast. The Neergabby fireworks & Ledge Point show & shine family fun day.

Amy & Claudia had a great time as the photos show. The colouring competition was a huge success at both events.

We do cover local events so if in need, contact the office on [0400 195 875](tel:0400195875)

Congratulations to Luke & Fred, two of our new volunteers who recently passed their Emergency Medical Assistant course. (EMA) Wonderful work guys.

Congrats

Community Update

Shire Response to Social Media Misinformation

Owing to an unprecedented level of social media commentary circulating throughout the Shire of Gingin this past couple of weeks, it is necessary - once again - for us to address and correct erroneous statements that are causing confusion and casting aspersion over our organisation.

Like Comment Share

Lancelin
26 Sep ·

LANCELIN TIP CHANGES

The Shire of Gingin wants to shut down another valued asset, the Lancelin tip and transfer the waste to Seabird.

If you're tired of the shire's indifference towards you and your town, make sure you vote as per the How To Vote Card in this post. If the Gingin Ratepayers Collective can get all 6 of these candidates elected, they will hold the balance of power and at last, hold the shire to account.

Here's your chance to make a difference, vote exactly as per pic 2.

Lancelin or Gingin tips completely, but rather converting them both, over time, to manned transfer stations for the waste to be transported in bulk to Seabird for formal disposal. This would allow the Shire to focus on the regulatory management of waste at one site and not three. It would not affect the amount of waste that members of the public would be able to dispose of at Lancelin or Gingin.

A community consultation session is planned to be held in Seabird in the near future and this will be advertised in due course.

2. Accusation of Financial Non-Compliance

There have been statements made publicly on Facebook that the Shire of Gingin finances are not being properly managed, which is a serious allegation. One particular social media comment referenced 'material misstatement' on page 78 of the Shire's 2021-22 Annual Report audited financials as reasoning for their accusation.

The Auditor General's statement is actually as follows:

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I did not receive the other information prior to the date of this auditor's report. When I do receive it, I will read it and if I conclude that there is a material misstatement in this information, I am required to communicate the matter to the CEO and Council and request them to correct the misstated information. If the misstated information is not corrected, I may need to retract this auditor's report and re-issue an amended report.

This other information was provided to the Auditor General and no material misstatements were reported. In fact, the Shire of Gingin was recognised and commended by the Auditor General as one of the top 20 Best Practice Entities following the release of the Financial Audit Results - Local Government 2021-22.

1. Lancelin & Gingin Tips Are Not Closing

Statements on the public Facebook page above that the Shire is intending to close the Lancelin tip are incorrect and intentionally inflammatory. The Shire of Gingin is, in fact, working towards refining and improving the way it processes and facilitates waste management across the Shire.

There has never been any discussion about closing the

Again, we cannot emphasise enough the importance of contacting the Shire in the first instance to get the facts instead of going public with opinions that are deliberately and detrimentally misleading or misinformed.

If you have any issues or concerns, please contact us on 9575 5100 or mail@gingin.wa.gov.au.

Monthly Scripture

"In Matthew 22:37 we are commanded to not only love God, but also love our neighbour as ourselves. This love is not a love generated by our feelings, but is the Agape love of God which seeks the welfare of all men. Therefore, it does not always exercise itself with natural feelings. A pastor recently said that we quite often don't even like our neighbour, he may irritate us, or we could wish him to be a thousand miles away out of our lives. That natural feeling is not what this scripture is talking about. God's love is bigger than that - it sees the need in a person and reaches out to fulfil that need, regardless of what we think or feel about them. (Consider the parable of the Good Samaritan, (Luke 10:25-37). That is how we are commanded to love our neighbour.

God also has seen the need in our lives and has given us His only Son, Jesus Christ, to redeem us from the power of the 'prince of this world' (the devil), by dying for our sins on the cross and bringing us back to a loving relationship with Him. Jesus said: 'Hereafter I will not talk much with you; for the prince of this world comes and has nothing in me.' (John 14:30). 'Now is the judgment of this world; now shall the prince of this world be cast out. And I, if I be lifted up from the earth, will draw all men unto me. This he said, signifying what death he should die.' (John 12:31-33).

We currently see the desperate state of our world with terrorism and wars which is exactly what the enemy (the devil) wants because his agenda is only to '...steal, kill and destroy.' Jesus came 'that we might have life, and that we might have it more abundantly. I am the good shepherd who gives his life for the sheep.' (John 10:10-11).

Until men get the revelation of who Jesus really is and allow Him to change their hearts, peace is a long way off. God is not going to wave a magic wand and cause wars to cease - He is looking for people who willingly accept Him as Lord and Saviour, allow Him to change their hearts and choose to come out from under the power of the prince of this world. Joshua in the Old Testament says '.....choose this day whom you will serve,.....but as for me and my house, we will serve the Lord.'" (Joshua 24:15).

Gingin Shire Elected Councillors Result of Gingin Shire Election

Frank Peczka

Jason Weeks
Nikki Woods
Linda Balcombe

The Lower Coastal Community Association hosted a meeting in Woodridge on the 9th October and all 12 hopeful Gingin Shire new Councillors gave the audience a 5 minute insight as to why they were standing up to be counted.

It was a great meeting and we hope that the 6 that were elected enjoy their term on Council.

It was great news that 50% of the Shire voted.

That meeting was followed by a LCCA quarterly meeting in Guilderton on the 18th of October Where a Committee was appointed.

We will keep you informed on any items of news that affect the Lower Coastal Community.
