Neergabby Community Association

– Quarterly Update

As we move into winter, the Neergabby Community Association (NCA) is proud to reflect on another busy and rewarding quarter.

In April, we hosted our second Community Breakfast, generously sponsored by Adam Shields Realty. Around thirty locals came together to enjoy bacon and egg burgers, a cuppa, and a relaxed chance to reconnect with neighbours.

We were also pleased to welcome Shire President Linda Balcombe, who took the time to chat with community members and enjoy the morning with us. Unfortunately, June's breakfast was cancelled due to the wet weather forecast over the long weekend. Keep an eye out for the announcement of future dates—we'd love to see even more friendly faces next time!

One of the standout moments this quarter was hosting the Lower Coastal Volunteer Lunch, held in celebration of National Volunteer Week. Made possible by the generous support of Lotterywest and Volunteering WA, the event welcomed over 100 volunteers from across the region. It was a heartwarming reminder of just

how many people quietly give their time to make our communities stronger. Guests enjoyed a delicious lunch provided by Tiff's Catering and live music from talented local performer Rob West, which added a warm and festive atmosphere to the occasion.

Behind the scenes, the committee has been busy streamlining processes and continuing to welcome new and returning members. We're always on the lookout for fresh ideas and helping hands—so if you've ever thought about getting involved, now's the time!

Planning is already well underway for Neergabby Fireworks Night 2025, which promises to be another fantastic celebration for all ages. Keep an eye out for fundraising events and sponsorship opportunities in the months ahead.

As always, we thank our volunteers, members, and local supporters for everything you do to keep Neergabby thriving.

Hello Reader's of the Moore River News.
Firstly, I'd like to introduce myself.

I'm Sarah Player, new Manager of the Guilderton Country Club.

I'd like to take this opportunity to extend my thanks to such a wonderful community and club for the continued support and well wishes on this venture.

He will be at the club from 3-6pm, with the club open from 2 until 8 pm.** Yes our kitchen will be open, with a bar menu of pizzas, burgers, light appetizers, and our bar pouring all your favourite ice-cold drinks.

A heads up for the locals. I spoke to the new pharmacists in Guilderton today and took this photo.

They have completed the building alterations but still have some approvals to get but hope to open in early August.

They will be offering full pharmacy and vaccination services here, next to Moore River Roadhouse.

I asked if they were ok to put the news out and they agreed

GUILDERTON VISITOR CENTRE

Even though the weather is getting a little chilly these days it has been fine and sunny and this is still bringing the visitors and tourists to Guilderton.

One of the first stops they make is usually to the Visitors Centre to find out a little about the area, its attractions and activities. It is surprising how many times I have heard someone come to the Centre and say "You are so lucky living in a place like this - it is absolutely glorious. This is our first time here - we never knew it existed so close to Perth".

And we are lucky we live here - and it is great to share our knowledge of the area with others who appreciate it. So if you would like to make someone's day or holiday a little more knowledgeable then why not join our small band of helpers. Opening times are weekends, public and school holidays between 9.30 and 12.30.

Just give Linda a ring on 0414 631 273 for more information or visit the website www.guildertonwa.com.au

Usual golf days are:
Saturday: Names in by 11.45am
Wednesday 9 holes Scroungers: Name by 1.45pm

At the end of May, we started planting some fifty additional plants to supplement the hundred we did last year. To increase our success rate, we have added watering pipes. These will be filled during the summer from a

watering trailer. The pipe system will take the water down to the root zone and encourage stronger growth than surface watering. Please take relief near these fledgling plants and hopefully these will add substantially to our golf course regeneration programme. Rain has been late coming this year and we are hoping for more! The course always looks greener after the leaves have been washed, mushrooms are pushing through and hopefully we will see orchids soon.

The large mass of waste on the ‘cricket pitch’ has been burnt and already we have started clearing dead trees and fallen limbs that will be progressively burnt during the winter season. Larger limbs are set aside for those looking for timber for their winter fires. Busy Bees are being held on the first Monday of each month, next one 7th July, and many hands make light work! Winter is the time to remove dead timbers, so we need your muscles, gloves, long sleeves and trousers. We meet at the golf shed at 8.30am and normally just do a morning shift..

SOVEREIGN HILL GARDEN CLUB

Our June meeting was held at Wendy's where we discussed and had hands-on experience on pruning roses and fruit trees

thanks to Nathan. We learnt that when pruning roses you should first plan how to attack it. Do you leave 3 stems or 4 - for artistic value you should always leave an odd number. Then prune off all branches thinner than your little finger, any that are inward facing and any in the centre of the bush to open it up so that when you look down on it it looks like a wine glass. This stops the outside branches being shaded by the centre ones and helps with airflow and circulation.

Next decide if you are doing a low, medium or high prune. In all cases you cut back to just before an outward facing bud. Last thing is to remove all the leaves from remaining stems and heavily fertilize with organic manure.

We then went on to do fruit trees. To finish the day we enjoyed some lovely afternoon tea on the verandah and discussed various topics relating to our gardens.

If you would like to join us our next meeting will be at Sovereign House on Saturday 12th July 1.30pm where we will be doing "Wicking".

Hope everyone has been keeping warm cold weather certainly hard to take, but lovely lot of rain which we badly need. Our numbers have been down this month because members are away on holidays and some not well.

We are in a competition with another club "Belmont" so its a challenge to see who will win the trophy this year, especially as its sometimes hard not to indulge more of the winter warmers.

We also celebrated Rosemary's birthday with a lovely Caramel Cake.

Cr Nikki Woods Voted as State Winner of Resilient Australia Awards

Congratulations to Councillor Nikki Woods who has been voted as the State winner of the Resilient Australia Awards.

The Resilient Australia Awards, in their 25th year, celebrate the hard work of individuals, organisations, governments and schools who are developing programs and initiatives that help Australians better prepare, respond and recover from disasters.

The image, titled *We Work Together as One*, captures a joint response from firefighters, police, paramedics and the RAC Rescue Helicopter.

Nikki will now represent WA as finalist in the people's choice category at the national awards in Canberra.

From L-R: District Officer North Coastal, Shaun Champ, Councillor Nikki Woods and Superintendent North Coastal (Metropolitan), Andrew Duckworth.

Council Decisions

The following matters were considered by Council at the Shire's **June** Ordinary Council Meeting:

- Coastal Recreation Tracks Master Plan - Public Submissions Summary.
- Adoption of Local Laws.
- Amendment to Local Development Plan - Country Heights Estate.
- Planning Applications - 4 applications considered.

For details of additional items resolved by Council and for more information please go to the June Council Meeting minutes which are available at gingin.wa.gov.au/council-meetings, or in person upon request at either the Gingin Administration Centre or Lancelin Office.

Welcoming Warner Bros to the Shire!

The Shire of Gingin is thrilled to welcome Warner Bros International Television Australia to our beautiful Shire! Warner Bros have selected locations throughout the Shire of Gingin to film for their upcoming television/streaming series 'LAM'.

"LAM (working title) is a character-driven crime drama that explores the intense psychological toll of life on the run. More than just a tale of heists and escapes, it's a story of survival – of a man whose sharp instincts, adaptability, and sheer nerve allow him to evade capture year after year. But the longer he stays free, the deeper his anxiety grows, as every shadow becomes a threat and every choice inches him closer to disaster."

Warner Bros will be conducting filming on Tuesday 24 and Wednesday 25 June at various locations throughout the Shire including the Gingin town on Weld St and Jones St, Old Mooliabeene Rd, Coonabidgee Rd and Ledge Point Rd.

Traffic management may be in place at some of these locations, so please be mindful and patient whilst the filming is underway.

The Australian film industry relies tremendously on the assistance of the local community and the support and understanding from community is very much appreciated.

The Shire of Gingin is proud to be assisting Warner Bros with their production, and we are excited to continue working towards being recognised as a Film-Friendly Shire.

Flowers to sow: candytuft, larkspur, alyssum, cineraria, forget-me-not, lupin, poppies, stock

Jobs for mid Winter

- Prune Rose and Fruit Trees
- Rake fallen leaves. Use them for mulch and composting.
- Shift roses or plant new ones now. Deadhead roses and give a good prune
- It's a great time to propagate deciduous trees and vines. Grapevines can be struck now if you're wanting more
- Finish pruning dormant fruit trees now, including grapevines.
- Apply liquid fertiliser to vegetable seedlings
- Prune fuschias to two-thirds their size, cutting just above a bud
- Spray dormant fruit trees with oil, adding copper or lime sulphur to prevent gall wasp and other pests
- Lawns - Winter weeds are in full swing. Treat with selective herbicides if there appears to be more weeds than turf, or, pull up by hand. Apply fish emulsion or seaweed solutions to help root development before the warmer weather comes.
- Keep spraying citrus fruit trees with trace elements regularly. Applications of pest controls and nutrients should be done with time between each. Apply pest control one week and nutrients the following week. Stone and pome fruits benefit with a watering can application of trace elements. Check the instructions if you're not sure.
- Maintain, sharpen, and lubricate garden tools. Now is a good time to get petrol powered equipment serviced before the next growing season kicks in.
- To have the healthiest plants and gardens, feed the soil, not the plants, The soil will do the work and the plants will benefit.

Have a safe and relaxing time in your garden.

Men's Mental Health: Time to Check In

Last month marked Men's Health month—an important reminder that men's well-being goes beyond physical fitness. This annual event shines a light on the often-overlooked aspects of men's mental health and encourages us to consider the emotional and psychological wellbeing of men in our communities.

From stress and anxiety to trauma and depression, men often face complex mental health challenges that are too frequently overlooked. It's time to shift old beliefs about "toughing it out" and instead recognise that seeking support is not a sign of weakness but a brave and important step toward healing.

It's important that we all check in with the men around us: our fathers, brothers, partners, uncles, friends, and neighbours. We each play a role in having open conversations and creating safe spaces for sharing how we are feeling. Asking "Are you okay?" can go a long way in showing someone they're not alone. By breaking down stigma and encouraging men to talk about emotional struggles and seek support when needed, we help build stronger, more connected communities and help reshape the narrative around masculinity and mental health. Because men's mental health matters—not just one month a year, but every single day.

If you or someone you know needs support, MensLine Australia offers free, confidential counselling for men 24/7 at 1300 789 978.

On the 28th May, Red Robin Playgroup hosted their very first 'Australia's biggest morning tea', raising money for cancer.

We raised \$733.00 and are thrilled with the donations and contributions from our Red Robin Community, the local community, friends and families who joined us for a lovely morning tea.

We would like to personally thank the Red Robin families who donated their time and efforts into baking or bringing a plate to the morning tea, Michelle from Sugar: Cakes & More who donated a box of her delicious cupcakes, Lindsay from the Neergabby Community Association for the table decorations, Sue Hicks for the table cloths, Lesley Corkin for the beautiful door prize and Jacqueline Burt for the raffle prizes. We appreciate everyone's efforts very much and all contributions.

Thank you to Red Robin community for helping host a wonderful and very meaningful event.

We thank you all from the bottom of our hearts.

Red Robin Playgroup

"The earth is the Lord's and the fullness thereof." (Ps 24:1). 'While the earth remains, seedtime and harvest, cold and heat, summer and winter, day and night shall not cease.' (Gen 8:22).

'For everything there is a season, and a time for every matter under heaven: a time to be born, and a time to die;...a time to weep, and a time to laugh;....a time to love, and a time to hate; a time for war, and a time for peace.' (Eccl 3:1-2, 4, 8).

Whatever season you are going through at the moment, Jesus says – 'Come to me, all who labor and are heavy laden, and I will give you rest....For my yoke is easy, and my burden is light.' (Matt 11:28, 30). 'Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus.' (Phil 4:6-7).

All scripture is from the English Standard Version.

MOORE PRAYER: In these days of stress and strife we, as local Christians, gather together to pray on a regular basis for the needs we see around us. If you would like to have a free bible to read for yourselves, please phone Judy.

If you would like to join with us in prayer please phone either Sue or Judy.

Sue - 0419 035 777 or Judy - 0429 108 892."
